INFORMATION & INSTRUCTIONS:

What is the Fort Worth Public Art (FWPA) Artist Registry and how is it used?

The Artist Registry provides art and design professionals an opportunity to express their interest in working on public art projects in Fort Worth by allowing them to submit contact information and images, which serves as a resource for our artist selection processes. The artist Registry will be used by Fort Worth Public Art to select art and design professionals for all Fort Worth Public Art projects. The Artist Registry is also available as a resource to the public.

Who is eligible to apply?

The Artist Registry is non-juried and open to all art and design professionals with the exception of employees of the Arts Council of Fort Worth and Tarrant County and the City of Fort Worth.
