Fort Worth Public Art and Christopher Fennell need your help!
Do you have any of the following items?

- Metal Baseball Bats
- Metal Hubcaps
- Metal Birdhouses
- Metal Trashcans
- Bicycles
- Metal Mailboxes
- Shovel Heads
- Car & Truck Bumpers
- Lawnmower Blades
- Chain-link Fencing
- Fence Posts
- Automotive Leaf & Coil Springs
- Airplane Wings

Artist Christopher Fennell will use these items to create twelve kinetic animal weather vanes. These sculptures will be located along the median of North Beach Street from Shiver Road to Timberland Boulevard.

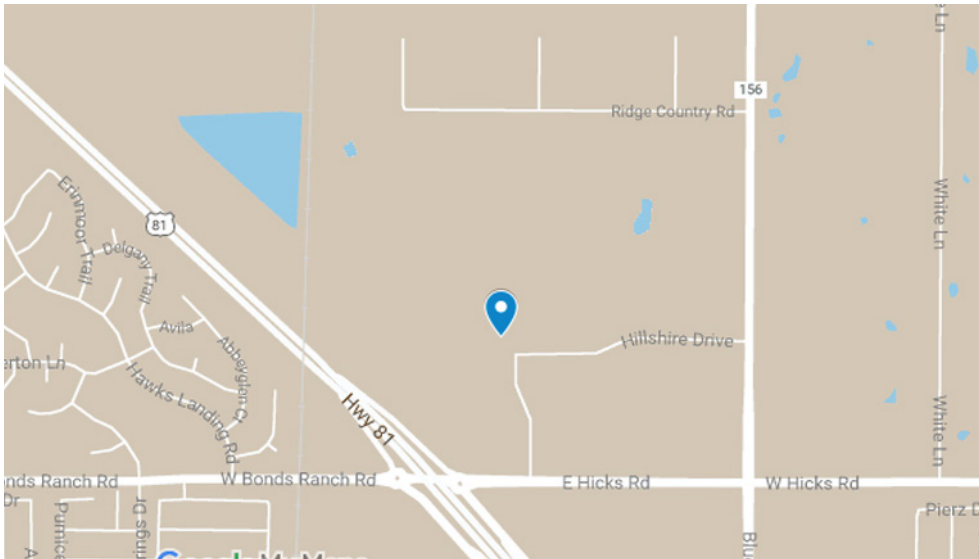

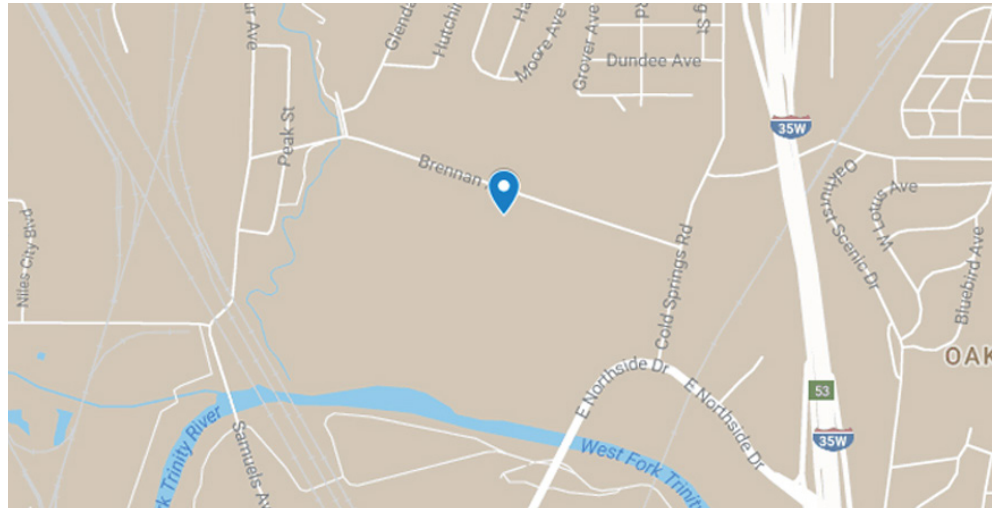

For more information about this project visit: www.fwpublicart.org

Collection Sites

Thanks to a partnership between Fort Worth Public Art and the Code Compliance Department, you can bring your items to these locations. Also, look for announcements of upcoming community collection events.

Brennan Drop-off Station

2400 Brennan Ave.
Fort Worth, TX 76106

Hillshire Drop-off Station

301 Hillshire Dr.
Haslet, TX 761052

An area specifically for artwork materials is available at both drop-off centers.
